### **Pre-Surgical Instructions for you and your pet**

#### **Patient preparations:**

- Please do not feed your pet anything after 9 pm the evening prior to the procedure. Water should be offered as usual.
- If your pet was prescribed Cerenia (anti emetic) please give it the night before the procedure with dinner.
- You can drop your pet off between 8:00 am and 8:30 am for admission. You will be meeting with one of our technicians at this time; they will discuss your pet's current health status, verify all documents are in order, and answer any question you may have about the procedure. Please allow your self 15-20 minutes for the check-in process

#### **What to bring:**

- Your signed consent forms and estimate
- Any medications that need to be administered while here
- Personal blankets and/or toys may be left with us, but they should be labeled to help ensure their safe return.

#### **All documents needed for check in:**

- **Check-In Sheet**
- **Consent for Anesthesia**
- **Consent for Dental Procedures** (Only if dental work is being done)
- **Estimate for anticipated procedures**

Please take the time to review and understand each form.

If you have any questions, please contact us prior to the day of the procedure.

This will allow the doctor time to contact you if needed.

#### **Scheduling a pickup time:**

Your pet's technician will be calling you directly after the procedure. At this time, we will be scheduling a discharge appointment. Your appointment time is determined by your pets recovery and your convenience.

**We look forward to seeing you and your pet!**

**Please do not hesitate to ask ANY questions because we want you to be comfortable with your pet's quality of care.**
